

Thrive Cancellation Policy

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when an appointment is not cancelled in a timely manner, it may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

_____ If an appointment is not cancelled at least 24 hours in advance you will be charged a twenty-five dollar (\$25) late cancellation fee. This will not be covered by your insurance or personal injury case.

(Please initial that you have read this statement)

Most of our patients are very considerate in providing us advanced notice of cancellation and we know that situations do sometimes arise beyond your control. We greatly appreciate your help in making sure that all patients have an opportunity to receive the care they need at Thrive.

Please keep in mind that you can email or call us 24/7. For our patients, we are keeping a waitlist, and as soon as you are aware you will miss your appointment, please let us know so we can contact the patients on our waitlist as soon as possible.

I have read and agree to the cancellation policy at Thrive Chiropractic Wellness Center. This agreement includes all members of my immediate household.
